

Fragile Kids Foundation Needs You! Volunteer Opportunities

The Fragile Kids Foundation is led by a small staff with big dreams to support children throughout Georgia in need. We have volunteer projects that are rewarding, stress-free and fun. Come solo or bring your entire office. Won't you consider being a part of the Fragile Kids Family?

Ambassadors: help greet families by phone & in person at the Fragile Kids offices; direct them to resources for their children.

Postmasters: Applications, information and family surveys all need to get out to our families, via snail mail. Relaxing stuffing and labeling gatherings are scheduled each week at Fragile Kids offices—snacks always provided.

Bookworms: We want to offer our families as many additional resources to make the future healthier and happier for their medically fragile children. We need help in expanding our database of partner organizations to direct families to aid with daycare, respite and support groups.

Loan Agents: It takes a lot to keep track of hundreds of gait trainers, therapeutic bikes, feeding tables and rover strollers shared with children all over Georgia. Fragile Kids Foundation needs volunteers for follow up surveys, tracking and delivery orders for children using our loaned equipment.

Computer Support: We need help from database-savvy volunteers to assure we are using our computers, tracking systems and pending files efficiently.

Event Planners: We need special event volunteers of all shapes and sizes who can talk golf, parties, and Fun Runs, as well as all the registration, banner hanging, sponsor courting that make our events memorable, high quality and beneficial to the children we serve.

Public Speakers: There are not enough hours in the day to visit all of the caring community groups and agencies that seek our services. Our growing Speakers Bureau needs more chatterboxes.
